**Thank you, Brucie Rapoport**

To the Editor:

I would like to thank Brucie Rapoport for her dedicated service on the Radnor School Board. She is a warm, welcome and knowledgeable voice on the issues that affect our students and taxpayers. I have known Brucie for many years and hope that she is again elected to a position that allows her to continue to be a strong advocate for our children and our community. I am confident that Brucie will continue to use her good judgment and experience to effect the positive change needed during this upcoming year when an unprecedented \$3 million will possibly be cut from the district's budget. Brucie's ongoing leadership is needed to make sure the Radnor School Board will spend our tax dollars wisely and preserve the quality of a Radnor education. Please take the time on Nov. 3 to vote for Brucie Rapoport.
